(Continued from Page 1)

in! Call the Torrance Women's Club. Demand an end to this insult," read the letter passed out here last week-end.

At the bottom of the letter it was claimed that the letter was issued by TORRANCE CITIZENS COMMITTEE TO END MINSTREL SHOWS, with the support of the following organizations:

Los Angeles Negro Labor Council, National Union of Marine Cooks and Stewards, International Longshoremen's and Warehousemen's Union Local 26, Harbor Chapter National Association for the Advancement of Colored People, San Pedro Independent Progressive Party, and The Cannery Worker's Rank and File Committee.

TWO WERE KICKED OUT

Two of these organizations, the Cooks and Stewards Union and the Longshoremen and Warehousemen, were expurgated from the CIO after they were labeled as being dominated by the Communists.

This statement was reaffirmed yesterday by Irwin L. De Shepherd, CIO Regional Director in Los Angeles.

According to a story in the Monday issue of the "People's World," recognized as an official newspaper of the Communists, the Torrance audiences Friday and Saturday were "cut in half" due to the appearance of the pickets.

B. OF E. ALSO TARGET

The article also attempted to rap the Board of Education for granting permission to the Torrance Junior and Senior Woman's Clubs, sponsors of the benefit show, for use of the auditorium.

Several weeks prior to the show a group of people claiming they represented the Southeast Interracial Council asked the Board to deny the sponsors the right to use the auditorium. In the group was Don R. Healy who was mentioned 12 times in the Tenney report on un-American activities. He was listed at one time as the vice-president of the Interracial Council.

CAMPAIGN BRIEFING . . . Getting last minute instructions over TV were these Community Chest Campaign workers who helped put Torrance residential section donations over the top the first day. Pictured at a meeting in the YWCA building last Monday morning were (l. to r.) City Chairman Jack Dabbs, Division Chairman Mrs. Ed. Schwartz; Residential Chairman Mrs. B. T. Whitney; and Noble Waite, the chairman for the Harbor Area. (Herald photo).

activity among the groups whose names appeared on the handbills came from the editors of "Alert," outspoken publication devoted to exposing Communist activities. The editors, Ed Gibbons and Norman Jacoby, who addressed a Torrance audience under the sponsorship of the Torrance Kiwanis Club in September of 1950, pointed out that the initials "dpowa 253" appearing at the bottom of the demand to "Stay Away" were the same initials as those of the Distributive, Processing, Office Workers of America and that

this same union was kicked out of the CIO for being Red-dominated.

IN TENNEY REPORT

They claimed that the name "Cora Johnson," which appeared on another letter passed out in Torrance last week was the same name as that of a woman who ran for Assembly on the Independent Progressive Party ticket. The name of the party appears frequently in the Tenney report on un-American activities. The group's attempt to have the show closed by threatening

Mrs. Emma Roberts, president of the Senior Woman's Club and General Chairman of the benefit show, failed when the local civic leader refused to be swayed by threatening phone calls.

"Are you threatening me?" Mrs. Roberts asked of one party who called her before last week's performance.

"You can call it anything you like. But we are just warning you that we're not through with you yet," she reported the voice as answering.

IN THE TRUE SPIRIT . . . When Mrs. Francis Gately, 22035 Vermont avenue, a Red Feather volunteer, called at one home this week she received a year's savings from an elderly pensioned couple. In the jar were 130 pennies. On top went a dime—the couple's last. They expressed regret they didn't have more to give. (Herald photo).

dential section leaders was Mrs. Lyle O'Hara whose section went over the top first. Mrs. O'Hara also was the first Torrance section leader to have her group organized several weeks ago. Her 20 workers were recruited from the Torrance Catholic Daughters of America, Court of St. Catherine. This is the seventh consecutive year that the CDA section has been the first one finished.

However, Lomita's city-wide QUICKIE COUNTER SERVICE "Eat With Charley" DANIELS CAFE 1625 Cabrillo — Torrance

campaign was finished Tuesday noon, giving that city the honor of being the first in the Los Angeles area to complete its campaign. They raised \$1,767-\$2 over the quota.
